1<sup>st</sup> May 2008 To:

Professor Sir George Alberti  
Imperial College London,  
South Kensington Campus,  
London SW7 2AZ

Dear Professor Sir George Alberti;

**My Invitation to: Professor Sir George Alberti; to address Bridlington &  
Surrounding Area Towns People  
At a Rally – March – Protest against Removal of CMU & Acute Medical!  
On Saturday 26<sup>th</sup> July 2008 at 10.00am Bridlington Hospital Car-Park.**

The Scarborough & North East Yorkshire NHS Healthcare Trust are to remove the services of Cardiac Monitoring Unit (CMU) & Acute Medical Services (AMS) to Scarborough in October 2008. The Doctors stated they were sticking to there guns that to remove the CMU & Acute would result in the loss of lives. The people of Bridlington& surrounding areas also agree.

**Invitation**

**I am writing to ask you; Professor Sir George Alberti; Medical Tsar if you would accept this invitation to come to Bridlington and address the Town's People at this Rally against the Removal of the (CMU) & Acute (AMS) If you recall your reply to me recently you stated you would come and speak to our group; I am inviting you Sir to address our town at our Rally-Protest-March which is well Policed and you are guaranteed you will be safe whilst you address the people.**

Staff at Bridlington Hospital are still in short demand with wards being run without enough staff to tend to patients needs. A dangerous practice by any standards were is Health & Safety? If staff are been advertised? We have not seen any advertisements; nor have staff at Bridlington?

**Copies of this letter & Invitation will be sent to:**

**Scarborough & North East Yorkshire NHS Healthcare Trust - Executives & Directors  
The Rt. Hon. Greg Knight MP & other MP's  
Press: Media, Television & Radio – Unite the Union – Police – Councillors – Bridlington Free Press & Hull Daily Mail**

**WE NEED THE BRIDLINGTON HOSPITAL SERVICES; IT IS OUR FUTURE!**
